

Specifications:-

Product Type	Glands
Product Material	PA (Nylon), UL94 rated
Hermetic Seal	Nitrile Rubber
O Ring	Ethylene Propylene Diene Monomer Rubber
Working Temp.	-40°F - +212°F
Country of origin	China
Ingress Protection	NEMA 4X , IP68

Approvals

Product Details:-

Strain relief glands are perfect for providing that extra protection in situations where extra pressure on the wire or cable may occur. Manufactured to the same exacting standards as our nylon cable glands with all of their superior features.

UL Certification for USA: QCRV2/ E473757

UL Certification for Canada: QCRV7/E473757 & QCRV8.E473757
